

# THE SKYLINE

An e-news blast of Desert Skies United Methodist Church

August 21, 2017

## **Our Worship Series-"Backpacks and Prayer" runs thru this Sunday, August 27th.**

Transitioning from a loose summer schedule to a more tight school schedule affects families in different ways. Many of us aren't aware of school schedules, though we are aware of summer plans coming to an end. This series focuses on getting everyone to see a variety of perspectives and learning to pray and work together.

**August 27th-"When School Is in Session, We Work Together"**

## **Our New Worship Series-"Outside My Own Little World: Creating Joy" starts Sunday, September 3rd and runs through Sunday, October 29th.**

In this series, we will remember why we are a Body together-being the hands and feet of Christ in a frightened and hurting world. We will focus not just on maintaining "the Church", but why it is that the church exists at all. We will affirm our purpose as a joyful community in this world and how we live that out together.

**September 3-"Population Two"**

**September 10-"I Try to Stay Awake"**

**September 17-"I Don't Want to Miss What Matters"**

## A Heartfelt Thank You To So Many

We are close to starting our 3rd year of tutoring so I want to share a little about our program. The actual tutoring is just the tip of the mountain of love. Our church does so much more for the children and their families.

This summer, one of the families experienced a devastating crisis and we were able to step in and offer Gods love by helping them find an apartment near the church and their school district. We were able to provide furniture, household items, new clothes and shoes, help the kids enroll in the schools where they were loved, work out transportation, receive assistance through ICS, provide backpacks and school supplies and help them to once again find some peace and joy in their life. I am pleased to say that they have also become apart of our church family and are involved in our youth group. The relationship was built and our support is there when they need it.

Over the past couple of years, different groups and individuals of the congregation have helped in supplying most of the families with backpacks, school supplies, class fees and clothing. We have assisted with food boxes, housing, furniture and transportation. We have provided Christmas trees and decorations along with gifts for all family members. We have helped them find good jobs to enable independence. We have included the children in Vacation Bible School, Music and Arts Camp, Youth Group and all of the church family activity events.

Several of the families have joined our church as members or regular attendees and work at the Flea Market or on a committee. I can't begin to express how grateful I am to God for giving me the opportunity to work with so many wonderful families. It has brought tremendous joy to my life.

We are currently short of tutors for this year and I would love to share this wonderful ministry with more of you. Please consider joining our team. It only takes one hour per week.

Blessings,

Fred Killion

## 2017 Dad and Me Camp at Mingus Mountain

**October 20-22, 2017**

Research shows that a healthy bond between children and their fathers prevents a host of bad behavioral choices. A strong bond between dads and kids also opens doors of communication. To help build strong bonds between kids and dads, Mingus Mountain Camp will host Dad & Me Camp on October 20-22, 2017. This camp will be a time and space set apart for kids to participate in positive, outdoor activities with their fathers and grandfathers. This camp is specifically designed for children between ages 4 and 18, and their dads and grandfathers.

What will we do? There are hikes, campfires, and projects scheduled, along with the challenge course, great food, and comfortable accommodations. If you, as a dad, feel like you haven't connected to your child lately, we have the perfect opportunity to make new memories. Grand-dads and kids are welcome, too.

The camp will start on Friday night after dinner and end on Sunday after lunch. Experienced camp leaders, Steve Gregory and John Rees, will lead the camp. John is a Scout leader and member of Green Valley UMC in Nevada. John's sons, Michael and John, hold the record for the most rides on the camp zip line. Steve is the Director of Christian Education and Youth Leader at Chandler UMC in Arizona. Steve enjoys hiking, obstacle courses, campfires, and s'mores, but what he likes best is leading students and families on camp experiences that draw us all closer to God. Steve's teenage daughter and experienced Dad & Me camper, Cassidy, will be assisting with the camp. She knows all the good hiking trails.

The registration fee of \$125 includes one dad or grandfather and one child. Each additional person, adult or child, is \$25. Register online using the button below or using the form in the the PDF brochure linked below.
