LENT

Lent is an opportunity to go deeper in relationship to God through discipleship in Christ. For many, these 40 days set aside leading up to Holy Week and Easter, help us nurture our spirit and tend our soul. This journey can feed us toward living with intention and give us deeper purpose. I invite you to find ways to make this time meaningful and engaging.

Walk for Christ-Tuesdays, 10:30-11:30 am-starting TODAY! This is for people that want a 40-day Challenge to go deeper by becoming more active. What's better than feeding your soul while developing healthy practices for your body and mind? Individuals will select different health goals while reading reflective passages on each day of the journey. Group time is to help support and encourage each other to complete their goal as well as practice a health practice for the body or mind. Questions?? Contact Rev. Matt

Lenten Suppers-Wednesdays, 5:30-6:30 pm in the Fellowship Hall—Each week enjoy fellowship around a simple supper followed by table worship of prayer and hymn singing. Finally, practice and experience a new spiritual discipline each time. Based on the book, "Because of This I Rejoice," we will discover that far from an obligation or drudgery, adding any one of these disciplines in our lives can add a source for joy as we connect to and engage in "The Source of Joy". In addition, after supper, there will be a group led by Jake Beverage and Rev. Candace on the topic of human sexuality and the recent General Conference. Bring your questions, your faith, and an openness to hear one another in respectful conversations around a polarizing topic.

First Lenten Supper: "Prayer." Wednesday, March 13th, 5:30-6:30 pm in the Fellowship Hall—Even Jesus' own disciples were wanting to discover a closer connection to God. How do we deepen the conversation? **Sign-up on the Connection Card each week if would like to attend.**
