

Calling all late elementary and middle school students!

Students moving into grades 3-8 are invited to join the Desert Skies community for an exciting week of music and arts for our annual Summer Camp! **Dates are May 31-June 3 from 9am to 2pm, with a family fun afternoon on June 5th from 4-7 pm at our Houghton Campus.**

Our camp will focus on many different activities to help broaden the minds of children and youth in southern Arizona. Each day, groups will experience music making with instruments such as guitars and drums, and will be pros in playing a few popular songs! Campers will also have the opportunity to identify their favorite songs and shoot a music video to debut at the end of the week. Alongside music, various arts and crafts activities will promote individual artistic creativity. Interspersed between these music and arts portions, fun indoor and outdoor water games will provide some well needed reprieve from the summer heat. **Come join Desert Skies for what promises to be a fun week at camp!**
